

Towards Sustainable Aviation
June 21st, 2023 (13-18 CEST)
Paris-Le Bourget, France

The ClimOP team is delighted to invite you to attend the **ClimOP Final Dissemination Event** entitled "***Towards Aviation Sustainability: a Comprehensive Strategy to lower Aviation CO₂ and Non-CO₂ Emissions***".

The event will be held in **Paris, France**, on **June 21st, 2023, 13-18 CEST**, at the **AC Hotel Paris-Le Bourget Airport**, in proximity to the Paris-Le Bourget Airport, venue of the **Paris Air Show 2023** (June 19-25, 2023).

The ClimOP Final Dissemination Event will witness the project team, as well as aviation experts, researchers, relevant stakeholders, discussing the **project's results and achievements**, among which the **Operational Improvements** devised to lower CO₂ and non-CO₂ emissions of the aviation sector.

The event is free of charge! To participate, please **[register here](#)** prior the event.
